Dear Potential Theater/Amphitheater User:

Chamizal National Memorial is now accepting applications from those wishing to book the park's theater or amphitheater during the months of January through June 2013. Although the park accepts applications on an on-going basis, August 15th will be the due date for first preference booking. Applications received and approved after that date will be booked strictly on a space available basis. Please refer to the following directions for completing and submitting your application.

1. All applications must be submitted using the attached form (NPS Form 10-930). ***If you are requesting dates for more than one event, an application for each event must be submitted.*** Reproduced copies of the form may be used. Also, complete the additional attached *cultural significance questionnaire* form and explain how your proposed event provides a meaningful association with the purpose of the memorial. *Note: The cultural significance questionnaire is only requested from theater and amphitheater applicants, other special park use permit applicants are exempt from this single requirement only and must still submit a completed NPS Form 10-939.*
2. Please include two or three "alternate" dates that we may consider for your event in case your primary date(s) are unavailable or awarded to another applicant.
3. Applications that do not include all requested information and the administrative processing fee payment will not be considered until all necessary documents are received. This may decrease your chances of getting your preferred booking dates.
4. Special Use Permit applications may be submitted by mail or in person. Please address all applications to the attention of Tina Smiley.
5. Please make and retain a copy of the completed form for your records.

Greater consideration will be given to proposals that reflect a meaningful association between the proposed event and the mission of Chamizal National Memorial. We look for productions that both contribute to visitor understanding of the memorial and promote the values of the National Park Service. Remember, the *cultural significance questionnaire* form must be completed and attached to the Special Use Permit application. These will be evaluated and scored by our staff. **Your written justifications will serve as the primary basis for determining whether or not your production is selected to perform at the Memorial.**

In order to assist you with the above requirements, we have scheduled workshops throughout the year to assist you in the application process. First time applicants must attend one of the workshops scheduled during the application period. Returning applicants need to attend a workshop during 2012 calendar year.

Workshops will be conducted in the theater. Please contact Anne Doherty-Stephan 915-532-7273 ext. 124 to enroll.

Special Use Permit applications for the January through June 2013 booking period should be received by August 15, 2012 for first booking preference. Applications submitted after that date will be accepted and reviewed strictly on an on-going space available basis. Letters tentatively authorizing or denying applications for booking dates will be sent out during the period of the end of August through September, 2012.

Please note that certain dates have already been reserved for events that are initiated or sponsored by the National Park Service. Attached is a list of the remaining dates that are available for January through June, 2013.

Mondays and Tuesdays are “dark” days for the theater personnel. Wednesdays are typically reserved for park-initiated or park-sponsored education theater programs. Meetings, rehearsals, and productions will not generally be conducted on those days.

A check in the amount of \$50.00 made out to “National Park Service” must accompany each application. ***This is a non-refundable administrative processing fee.***

If your production is selected, the \$50.00 fee will be credited towards the total \$100.00 special use fee required for the issuance of an actual authorized permit. Prescribed fees are due sixty calendar days prior to the date of the authorized event. Authorization for the event may be revoked if the fees are not paid promptly.

Special Note: *If you plan to charge for admission to your event.*

The National Park Service does not authorize the public staging of special events for which a public admission fee is to be charged and monies associated with the event may not be collected by the permittee on park premises without the advanced completion of a Commercial Use Authorization (CUA). Requirements, restrictions, and possible additional fees for the CUA will be explained and processed after your event is selected for presentation at the memorial.

Sincerely,

Catherine F. Light
Superintendent

Chamizal National Memorial was authorized in 1966 to commemorate the peaceful settlement of a long-standing boundary dispute with Mexico. The dispute could not have been settled without friendship and goodwill between Mexico and the United States.

Today the memorial serves as a cultural center where people from our borderland community, as well as other cultures, come together to share in common experiences and interests such as visual and performing arts.

Every program presented at Chamizal National Memorial should remain true to the original mission of the park's creation by promoting cultural awareness, mutual understanding, friendship without borders, and the realization that together as a bi-national community we can peacefully resolve any dispute that rises between us.

Keeping this in mind, please answer the following questions as they relate to the program you are proposing to present at Chamizal National Memorial. How closely your program matches our mission will determine whether or not you are given booking dates.

Chamizal National Memorial fue autorizado en 1966 para conmemorar la resolución pacífica de una larga disputa fronteriza con México. La resolución de la disputa no fue posible sin la amistad y buena voluntad entre México y Estados Unidos.

Hoy día el memorial sirve como un centro cultural donde la población fronteriza y de otras culturas pueden reunirse para compartir intereses y experiencias comunes tales como las artes interpretativas y visuales.

Cada programa presentado en Chamizal National Memorial debe de guardar el valor original de la misión usada para la creación del memorial. Esto se puede cumplir por aumentar el nivel de conciencia sobre la cultura, el mutuo acuerdo, la amistad sin fronteras, y la realización de que juntos como una comunidad binacional podemos pacíficamente resolver cualquier disputa que pueda surgir entre nosotros.

Guardando esto en mente, por favor conteste las siguientes preguntas relacionándolas al programa que usted propone presentar en Chamizal National Memorial. La determinación para que se le apruebe una fecha de reservación será basada en que tan relacionado sea su programa a nuestra misión.

*** Important Note:**

The park closes daily at 10 p.m. All park visitors, theater users, and audience members must be out of the park by 10 p.m. Scheduling events that keep people in the park beyond 10 p.m. will result in you paying the overtime charges for all park staff members who must remain on duty to clear the theater and parking lot of visitors *associated with your presentation*. Overtime will be charged for theater, maintenance, and law enforcement staff as well as administrative billing costs.

To avoid paying overtime charges for performances that run late, schedule your shows to begin earlier, and end by 9:30 pm on Thursdays thru Saturdays, and by 8:30 on Sundays. Take into consideration that your cast members will need time to take after-show photos with family and friends, change clothes and pack up personal belongings, and to vacate the park. **You must be out of the park by 10 p.m. or you will be charged overtime cost recovery fees. Please schedule accordingly.**

Información Importante:

El parque cierra a las 10 p.m. diario. Todos los visitantes, los presentadores igual que miembros de la audiencia, deben de salir del estacionamiento no mas tardar 10 p.m. Programando eventos que demora la salida del publico después de las 10 p.m. resultara en que se le cobre cargos de sobre tiempo por cada personal del parque que se requiere trabajar hasta que la última persona asociada con su presentación salga del teatro y el estacionamiento y se puedan cerrar las barreras al parque. Se le cobrará el costo de sobre tiempo para ambos el personal de teatro y de seguridad.

Para evitar el pago del costo de sobre tiempo por presentaciones que corren en demora, le sugerimos que programe el inicio de sus eventos lo más temprano posible. Tome en cuenta que después del espectáculo sus actores requieren tiempo para tomar fotos con sus familias y amistades, cambiarse de ropa y recoger sus pertenencias y luego situarse en sus autos para salir

del estacionamiento. Es necesario salir del parque para las 10 p.m. o se le cobrará cargos de sobre tiempo. Favor de programar con esto en cuenta.
